### Dear People of Zion's...

I want to thank you so much for all the support you have given to David and myself over the last few years as we both were undergoing such serious health circumstances. We were really appreciative of all your thoughtfulness and kindness at Christmases with your very helpful and useful gift bags.

When David passed away I was grateful that he could lie in state at Zion's-the church that brought us to the Mahoning Charge and where so many of my Lutheran ancestors are buried. A special thanks to Darryl and Charlotte Fritz for making all the arrangements. I wish you a Blessed Easter and God's blessings upon you always.  
Sincerely, Beverly Knoebel

### Bonnie's Letter

Dear Friends,

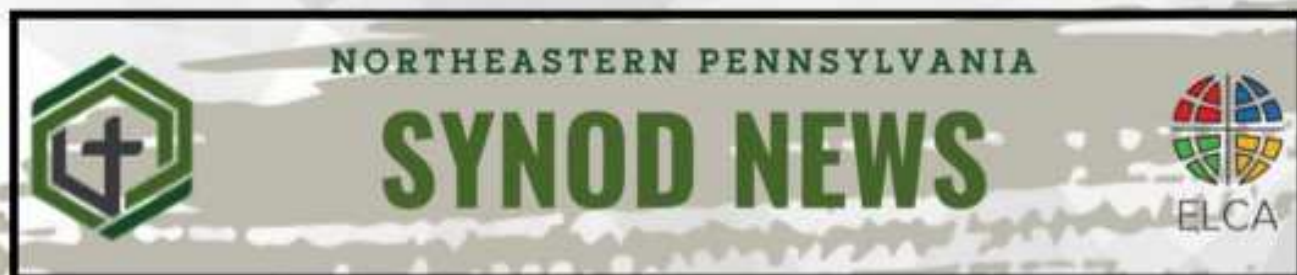

Thank you for the opportunity to engage in a Sabbatical for the past three months. My soul is renewed, and I am so grateful for the time to rest, relax, travel, and explore. I thank the staff and Rev. Dr. Becky Beckwith for all their hard work during my Sabbatical. I was truly able to rest knowing the Conference work was in your capable hands.

As I returned to work this week, in the throes of the Holy Week celebrations, I was gladdened by the editorial in the Morning Call this morning which accented today as special for Christians, Muslims, and Jews. Actually, the whole of the season is special – Ramadan for our Muslim siblings, Passover for our Jewish siblings, and Lent and Easter for our Christian siblings. The connection of the faiths rooted in Abraham is important – and never more so than in these times when differences divide rather than unite us.

We rest in the scriptures together – connected through the love of God – lived out through the lives of prophets and teachers, ministers, and wise sages. We come together to celebrate God's creation and continuing testimony to and for us. As we celebrates our faith this week, may we be reminded that our Savior calls us to radical love, a love that allowed Jesus to wash the feet of his disciples, that anchored his love through the sharing of a sacred meal with his disciples – all his disciples, the one who would betray him, the one who would deny him, and all the ones who would abandon him. Rather than judge, Jesus loved. Rather than ridicule or remonstrate, Jesus offered compassion and kindness.

As Mohammed Khaku wrote in his editorial today, "Every faith stands at a historic crossroads. There would be no poverty nor any wars and oppression around the globe if we were to abide by the principle of justice, freedom, and equality." This Holy Week, this Easter, this Eastertide and beyond, may we live into the love of God, sharing the love, mercy, compassion, and generosity of God with one another – no matter our faith tradition – no matter our life experience – no matter our joy or sorrow. That is my prayer for us, one and all.

Blessings, Bonnie

*Wednesday may be a slump day for some, but at the La Crosse LuMin Lutheran Campus it's all about grace through free cookie Wednesday. Want a cookie? Take a cookie! They just give out cookies to make folks' day better — no strings attached. As he's giving out the cookies, it's not unusual for Pastor Ben Morris to be asked, "Where do the cookies come from?" The answer is Lutheran grandmas up in the bluffs and hills made them with real butter and real love. Each week congregations throughout the La Crosse Area Synod drop off 500 cookies to be given away. Pastor Ben says, "It's like manna in the wilderness; there always seems to be enough," and these cookies taste better.*

*LuMin La Crosse is a place to gather in worship, connect to study, grab a cup of coffee, share a family-style meal, sit in prayer, make bread for the women's shelter, take walks together, and explore places afar in service to others. They advocate for others, share space with multicultural student groups, proudly display the pride flag, and mostly reconnect with humanity and each other. Oh, and give out cookies! Like all ELCA LuMin campus ministry sites across our synods, this ministry happens because congregations share food — yes, cookies — and also through Mission Support that is shared with our synods and churchwide organization to support these vital, transformative, grace-filled ministries with students. Mission Support is just one way campus ministry is funded, so learn more, and pray for local campus ministry by checking out [luminelca.org/](http://luminelca.org/).*
